MISSION

The Sioux City Art Center’s mission is to enrich our region’s quality of life by bringing the excitement of the visual arts to our community through education, exhibitions and permanent collection.

VISION

The Art Center will continue to serve as and enhance its position as a premier cultural attraction for the citizens of the Sioux City metro area.

The Art Center will use its permanent collection to position itself as a major regional educational resource for educators, students, and the general public.

The Art Center will promote itself as a cultural tourist destination based on its reputation as presenting major traveling exhibitions, and a quality permanent collection featuring the best regional artists.

The Art Center will increase access to education and in turn the Art Center’s permanent collection, by expanding the present facility with a new Learning Center.

VALUE

The Sioux City Art Center will provide visitors with an accessible and meaningful appreciation of the visual arts by embracing education as fundamental to its programs.

Greetings! We have two special exhibitions this spring—one opened in February and a second opens in May. Currently, *The Art of the Brick* occupies the third floor Main Gallery. The exhibition, made possible by the Blockbuster Partners, features Nathan Sawaya’s impressive artworks using the iconic LEGO bricks. Versions of Sawaya’s exhibition have been presented around the world, including: Melbourne, Australia; Shanghai, China; Paris, France; Tel Aviv, Israel; and Johannesburg, South Africa.

In addition to Sawaya’s innovative sculptures, the Art Center will also include *In Pieces*, a collaboration between Sawaya and photographer Dean West who has created a series of large-scale tableau compositions incorporating Sawaya’s LEGO sculptures into West’s photographs.

Following *The Art of the Brick* and opening on May 18 is *ARTcetera* 2016, both a fundraiser and exhibition made possible through the generosity of the invited artists. While the show opens with a reception and auction, both live and silent, the exhibition remains on view to the public through August 7. As with the previous two *ARTceteras*, the show promotes the participating artists by treating the project as an exhibition and provides the public with the opportunity to view the work of these approximately 55 artists.

The Sioux City Art Center is hosting The Art of the Brick®, an exhibition featuring large-scale sculptures constructed out of iconic LEGO® bricks. Artist Nathan Sawaya creates awe-inspiring works out of this unlikely material, painstakingly crafting beautiful, playful pieces, and transforming the popular toy into something new. Since Sawaya’s first exhibition in 2007, The Art of the Brick has become a worldwide sensation, with exhibitions in cities including: Melbourne, Australia; Shanghai, China; Johannesburg, South Africa; Tel Aviv, Israel; Paris, France, and in cities across the country.

In addition to Sawaya’s sculptures, the Art Center is exhibiting In Pieces, a collaboration between Sawaya and photographer Dean West, who has created a series of large-scale tableau compositions incorporating Sawaya’s LEGO sculptures into West’s photographs.

Youth Art Month Exhibition
High School
Jensen, Everist, and Terra Galleries
February 13 – April 10, 2016

This annual exhibition features works by Siouxland students from the tri-state area. John Bowitz, professor emeritus of the art department at Morningside College, reviewed hundreds of works to find the very best. This year’s exhibition presents work by high school students.

This exhibition has been underwritten in part by the Aalfs Family Foundation and Pinnacle Bank.

FIRST FLOOR EXHIBITIONS
Tom L. Roberts
Painter of the West
Gardner Room
January 30 – April 17, 2016

Sioux City artist and educator Tom L. Roberts has focused his artistic attention on the history of the American West. Two years ago, the Art Center presented an exhibition of his works titled The West That Has Passed, which explored the historical past of the west from the voyage of Lewis and Clark to the discovery of the wonders of the west. This new body of work continues Tom’s interpretation of the events, animals, and people of the western frontier during the 19th century.

Tom graduated from Spencer High School in 1974 and studied art at the University of Northern Iowa where he earned a BA in Art Education in 1978. His love for the west was inspired by early trips to the Rockies in the 1970s with his wife Cindy and their work as seasonal park rangers in Yellowstone National Park for 20 summers. Tom teaches three dimensional arts at North High School.

The Briar Cliff Review Exhibition
Jensen, Everist, and Terra Galleries
April 21 – July 3, 2016
Reception: Thursday, April 21, 6:00-8:30 pm

The exhibition includes artworks by local and regional artists who are featured in the 2016 edition of The Briar Cliff Review, Briar Cliff University’s award-winning journal of articles, essays, poetry, photography, and art. The exhibition is an eclectic gathering of mediums and styles, presented as a sampling of many of the artistic trends occurring in the region.

ARTcetera ’16
Main Gallery
May 18 – August 7, 2016
Reception and Auction: Wednesday, May 18, 6:00-9:00 pm

This exciting event is one-part exhibition of local and regional artists and one-part fundraising auction. The Art Center’s Main Gallery will be filled with a great assortment of fantastic art made by exceptionally talented and very generous artists from Siouxland and from across the Midwest. And everything is available for purchase! While those attending the reception get the first opportunity to add these works to their collections, all of the art will remain on display through August 7, giving visitors the opportunity to view the exhibition and buy unsold work. For more information, please see page 10.

Rivers, Wings, and Sky
Gardner Room
April 23 – July 10, 2016
Reception: Saturday, May 21, 1:00-3:00 pm

This exhibition presents collaborative works by two South Dakotans, artist Nancy Losacker and poet Norma C. Wilson. They use their different artistic talents to explore their personal appreciations of the landscape of our region. Losacker creates imaginative glass mosaics and Wilson writes poems that together show how nature’s beauty and diversity can reflect our own experiences.

John Himmelfarb: Trucks
Jensen, Everist, and Terra Galleries
July 16 – October 23, 2016

Himmelfarb is one of the most respected artists of the Midwest. His work spans virtually all mediums, including painting, drawing, and printmaking, as well as sculptures in metals, ceramics, and found objects. His current and continuing series of works focuses on trucks as a subject. In Himmelfarb’s own words, “These works are not about trucks but about us, our histories, skills, coping mechanisms, ambitions and character.” The Atrium will exhibit a number of his larger sculptures, while the 3rd floor galleries will present smaller sculptures and wall-mounted work. The exhibition will also include one of Himmelfarb’s “life-sized” truck sculptures, such as Penelope Awaiting Her Chamberlain, a 1946 Chevrolet farm truck that has been converted into a mobile sculpture. The show will be complemented by the 124-page book, John Himmelfarb: Trucks: Recent Works, published in 2014.

This exhibition has been sponsored in part by the Martin/Seamster Fund.
Volunteer Spotlight

Lynne Baller and Helena Potash have volunteered with Art Center’s ArtSplash since its beginnings in 1994, and are known affectionately as “The T-shirt Ladies” at the festival. They handle their area with poise, agonizing over every detail to make sure we have quality commemorative items for our guests. They work together to recruit the faithful volunteers staffing their booth, and they treat them so well they come back year after year to help! ArtSplash wouldn’t be the same without them!

“I was drawn to Artsplash from the beginning because it had a mission to bring the arts to the community in an outdoor family-friendly atmosphere. Over the years, I have met so many wonderful people from our community who are promoters, problem solvers, collaborators, trailblazers, and supporters. Helena and I have become good friends through our work together. I really appreciate the help from all the members of my family and Helena’s, as well as our ArtSplash family! I am excited and proud to be on the steering committee of this event every year.” – Lynne Baller

Donor Spotlight

Art Center’s ArtSplash is proud to partner with Thompson Electric Company for our electrical needs. Every year, Thompson Electric donates labor and materials to make everything at ArtSplash run! Skip Perley, CEO of Thompson Electric, had this to say about our partnership:

“Thompson Electric has been helping ArtSplash since the beginning years and has witnessed its development into one of the premier events in the Siouxland region. Projects like this help us and our employees meet our mission to be connected to the communities we work in. This in one of many ways that we demonstrate the values we talk about all the time. We are glad to help.”

We are heading into our 23rd year of Art Center’s ArtSplash! Plans are in place to make the festival even better!

In the coming months, Art Center’s ArtSplash will be busy taking artist applications for the 2016 annual juried art show. As many as 120 artists will be invited to exhibit and area artists are encouraged to apply. Find a link to the application site on the Sioux City Art Center website: www.siouxcityartcenter.org/artsplash. Our three-person jury will convene in May to select our 2016 ArtSplash artists.

Food Vendor and Children’s Activity applications are also available now on our website! Get in on the fun and earn money for your non-profit!

Want to get involved in ArtSplash? There’s much to do, both during the planning year and the festival itself. We need people with all kinds of skills and abilities. Fundraising has also started and is always a great way to ensure a future for the festival. If you would like to learn more about making a donation to Art Center’s ArtSplash and/or volunteering at the festival, please contact Development Coordinator Erin Webber-Dreeszen at 712-279-6272 ext. 232 or at ewebber@sioux-city.org Get in on the fun!

VOLUNTEER OPPORTUNITIES AT THE ART CENTER

• Docent
Join the ranks of dedicated docents who lead school and adult groups through the ever-changing exhibitions. General docents provide a tour of the building and/or exhibitions, including information on the history of the Art Center, the permanent collection and a synopsis of exhibited works. ARTWORKS docents lead fifth grade tours and also teach a hands-on project. A background in teaching is helpful but not required. Docent training is provided.

• Education Intern
Teacher’s Aides act as an “extra pair of hands” for the art teacher. They assist during children’s and adult art classes, workshops, birthday parties and special events.

You will receive training before starting your volunteer job and will be mentored until you feel comfortable. Our staff will provide you positive feedback and assistance as needed. You will also have a pleasant work space and all necessary materials. Because of the wide variety of volunteer opportunities, you can change jobs or add new responsibilities as your interests grow and change.

**Amy Foltz**

**Why did you choose to donate a piece of your artwork to the Art Center’s fundraiser?**
It is to support the Art Center and I like the dedication of the Art Center to bring art to the folks in this area.

**What inspires you or what message are you sharing through your artwork?**
I am inspired by nature, the sky, the ground and the seasons.
I enjoy movement and colors, and try to place color in a dynamic setting.

**What's the best piece of advice you've been given?**
Shut up and do it.

**What role does the artist/art have in society?**
Art has a way of helping people realize they are not alone in all that they do. Artists convey their perspective to others and help make a platform for communication through their works. Art. It is worth sharing.

---

**John Bowitz**

**Why did you choose to donate a piece of your artwork to the Art Center’s fundraiser?**
Art centers play key cultural roles in their communities. Sioux City Art Center has done an exceptional job of supporting the community’s need for art experiences.

**What inspires you or what message are you sharing through your artwork?**
The world around me and peoples’ actions arouse my curiosity. My art is my reaction to these amazing situations. I am sharing both what I know and do not know.

**What’s the best piece of advice you’ve been given?**
The oxen are slow, but the earth is patient.

**What role does the artist/art have in society?**
Artists and art play a major role in defining a society’s culture. The type and numbers of art and artists endorsed by society are measures of the level of culture attained by that society.

*Due to their association with the Art Center, affiliated artists will not receive the 20% commission from the sale price of their artwork that will be paid to the other featured artists.
Planned Giving

Did you know that by including a charitable gift in your will or estate plan you can help continue the Art Center’s work well into the future? It’s easier than you think. A simple directive in your will can bring welcome support, and what may seem like a small amount to you can make a big difference. Consider what just 1% of your assets could accomplish!

Here is an example of a recent gift:
Although he had not lived in Sioux City for a long time, A. Philip Gall decided our community was important enough to support in his charitable bequests. The Art Center Association of Sioux City, along with many other Sioux City non-profit organizations, was named as a beneficiary in his will. The gift was given in honor of his parents, Arthur C. Gall and LaVonne P. Gall, and will support the Art Center’s mission to bring the excitement of the visual arts to our community.

What can YOU do to support the Siouxland community and the organizations that serve it?

You Can Start Today
• Make sure you have an up-to-date will (or living trust) that reflects your charitable objectives.
• Contact your financial advisor (financial planner, lawyer or accountant) and ask for help in establishing a charitable gift.
• Make your favorite charity a beneficiary of your life insurance, pension plan or IRA. If you designate the Art Center, be sure to use “Art Center Association of Sioux City” as the name of the beneficiary.

Organizations you support today, like the Art Center, will also touch the future. They will be creating your vision for a better world long after your lifetime. Their work, and the lives they touch, can be the message you leave.

If you would like more information on planned giving activity in Siouxland, visit www.leaveamessagesiouxland.org or contact Erin Webber-Dreeszen, Development Coordinator, at 712-279-6272 ext. 232 or at ewebber@sioux-city.org.

Leave A Message Siouxland

The Sioux City Art Center is pleased to announce that it played an integral role in starting a collaborative local donor awareness campaign about planned giving and its positive effect on local non-profit organizations. After a year of development, a new website, www.leaveamessagesiouxland.org, and print materials are now available to partnering organizations. The Art Center is named as a Founding Partner along with these great organizations: United Way, June E. Nylen Cancer Center, WITCC Foundation, Sunrise Retirement, Burgess Foundation, and Siouxland Center for Active Generations. If you have any questions about planned giving and how you can have a lasting impact on the success of the Art Center, please contact Erin Webber-Dreeszen at 712-279-6272 ext. 232 or ewebber@sioux-city.org.
