

The Project

Sculpt Siouxland is a joint project of the Sioux City Art Center and Sculpt Siouxland, Inc., a private, non-profit organization that provides financial support to the project. The purpose of Sculpt Siouxland is to bring seven outstanding outdoor sculptures to highly visible locations in downtown Sioux City for a year-long exhibition. Sculptures are installed on prominent street corners or on the campus of the Sioux City Art Center. They join the growing number of sculptures that form the Sculpt Siouxland Collection, which remain on permanent display.

Honorarium

Each artist accepted into the 2023-2024 Sculpt Siouxland exhibit will be given an honorarium of \$1,500 per accepted sculpture. A total of seven sculptures will be selected. Shipping to and from Sioux City is the responsibility of the artist. If needed and with advance notice, Sculpt Siouxland can supply a lift and operator to install or remove sculptures.

Awards

Artists featured in the exhibit will also be eligible to win the Jury's Choice Award of \$1,500. In lieu of the cash award, Sculpt Siouxland may propose to the Jury's Choice Award recipient the option of purchasing the sculpture minus a 30% Sculpt Siouxland commission.

Purchases
