# THERMAN STATOM: NOVELLA

The Sioux City Art Center is thrilled to present a solo exhibition of work by Omaha-based artist Therman Statom. This will be his first exhibition at the Art Center and will feature a combination of his well-known glass pieces as well as new artworks that have not been on view before. Therman Statom is recognized internationally for his innovative and experimental combinations of glass, painting and mixed media in ambitious site-specific installations, wall-mounted vitrines, and blown glass heads. Statom's ambitious and elegant sculptures are constructed of industrial window glass that is structural as well as a transparent. He utilizes these different properties to spectacular effect, creating moments of clarity and opacity, display and obscurity. This exhibition is organized by Sioux City Art Center Curator Chistopher Atkins and is generously supported in part by a Partner Grant from Humanities Iowa and the Gilchrist Foundation.

**FEBRUARY 1 – JULY 14, 2024**

*MEMBERS ONLY Meet & Greet: January 31, 5:00 – 6:30 pm*

*Reception: Thursday, February 1, 5:00 – 7:00 pm*

# JUDY ONOFRIO: DEEP DIVE

Judy Onofrio, *Down Deep*, 2021, wood, found wood, cow teeth, seashell, casting resin, bone, barnacles, antler, wood glue, sculptural epoxy, acrylic paint, 47 x 33 x 12 inches

Judy Onofrio is a sculptor with an international reputation whose larger than life sculptures are covered with collaged bones, glass orbs, thousands of beads, and intricate glass mosaics. It's all carefully composed, but her Baroque flourishes celebrate life's color, matching perfectly with her sense of humor and creative spirit. Judy is a prolific artist who continues to inspire the next generation of artists while championing the outsider and self-taught artists who have inspired her. It is through her accumulative process that Judy continues to push the boundaries of art and craft, especially how she shares the history that objects contain, as she says, "The joy I derive from making art compliments my love for collecting an odd assortment of curios that provoke strong memories." Her more recent works have the same ambitious scale of her previous work but are inspired by underwater flora and fauna, while reflecting on her childhood and earliest memories of living near the ocean. *Deep Dive* will travel to the Minnesota Marine Art Museum, in Winona, Minnesota, June 2024.

**SEPTEMBER 21, 2023 – FEBRUARY 11, 2024**

Judy Onofrio, *Splash*, 2020, bone, wood, metallic acrylic paint, 16.5 x 24 x 8 inches

# TEO NGUYEN: VIỆT NAM PEACE PROJECT

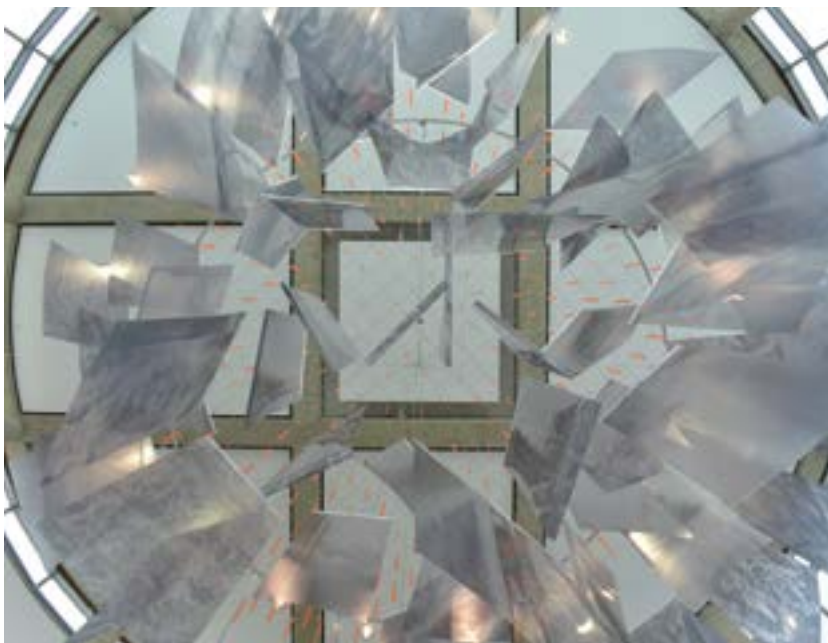

AUGUST 17, 2023 – JANUARY 14, 2024

Teo Nguyen's solo museum exhibition invites contemplation and reflection on the Vietnamese people's struggles toward peace and what the artist calls "the politics of worthiness." His stories of heartbreak, optimism, resistance, and reconciliation that are interwoven into Vietnamese culture and spiritualism. His photorealist paintings reference historic images by photojournalists documenting the war in Vietnam but reimagine them without violence. By eliminating the helicopters, weapons, fighting, victims, and fallen soldiers, he reveals a country of diverse natural beauty. This act of reclamation shines a light on a Vietnam beyond the war, a place of rich culture and picturesque topography.
